

WC PAN CONNECTORS

Please note: Save this instruction sheet for future reference
IMPORTANT: DO NOT use plumber's putty to seal this fitting

RIGID WC PAN CONNECTORS

All with 90-107mm inlets (excluding extension with 110mm inlet)

All with 4"/110mm outlets (excluding PP0007/A with 3.5"/90mm outlet)

- 1 Prior to installation check WC connector.
- 2 Ensure your WC and outlet pipe are ready for installation.
- 3 For ease of fitting we would recommend using a water based lubricant on both the inlet and outlet rubber seals.
- 4 On completion of installation test in accordance with current British Standard guidelines.

SLINKY-FIT FLEXIBLE WC PAN CONNECTORS

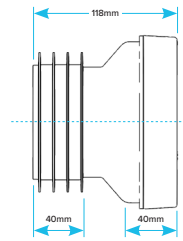

All with 90-107mm inlets

All with 4"/110mm outlets

- 1 Prior to installation check WC connector .
- 2 Ensure your WC and outlet pipe are ready for installation.
- 3 For ease of fitting we would recommend using a water based lubricant on both the inlet and outlet rubber seals.
- 4 Do not over extend or pull the flexible section off the outlet or inlet connectors. We would recommend extending the connector using the flexible section and not from the outlet or inlet connectors.
- 5 For extended runs we advise the length should be supported firmly to prevent sagging.
- 6 On completion of installation test in accordance with current British Standard guidelines.
- 7 Keep sharp or abrasive materials away from flexible section, and DO NOT use drain rods to clear blockages.

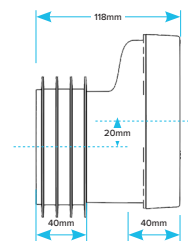

Straight WC Pan Connector

Product Code: PP0001

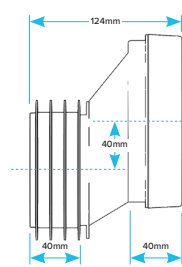

20mm Offset WC Pan Connector

Product Code: PP0003

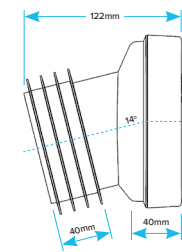

40mm Offset WC Pan Connector

Product Code: PP0003/A

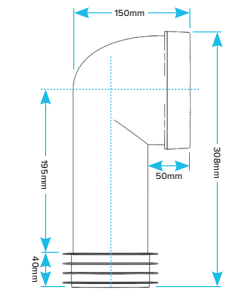

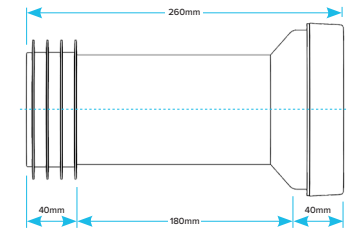

14° Angle WC Pan Connector

Product Code: PP0001/A

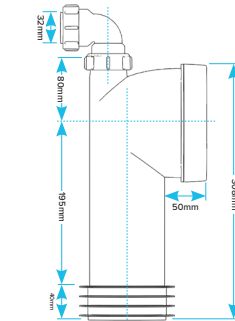

Extended Straight WC Pan Connector

Product Code: PP0001/B

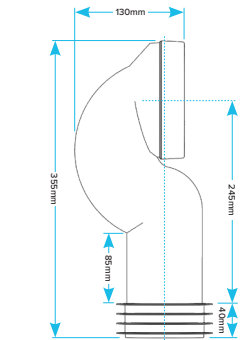

90° Bend WC Pan Connector

Product Code: PP0005

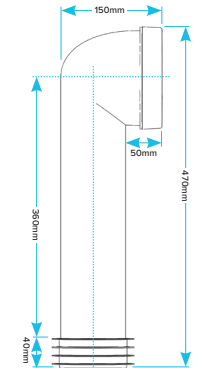

90° Bend WC Pan Connector (32mm Adapter)

Product Code: PP0005/A

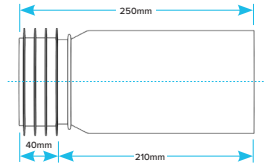

Swan Neck WC Pan Connector

Product Code: PP0006

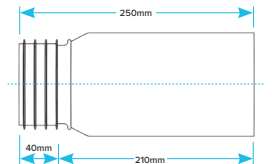

90° Bend Long Tail WC Pan Connector

Product Code: PP0005/B

Extension WC Pan Connector

Product Code: PP0007

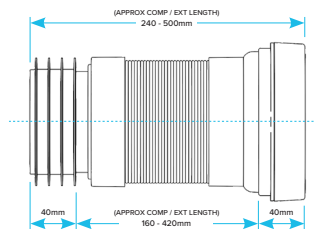

3.5" Extension WC Pan Connector

Product Code: PP0007/A

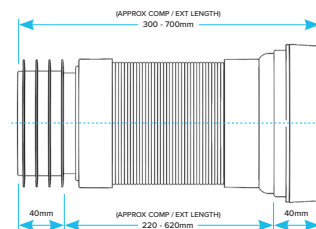

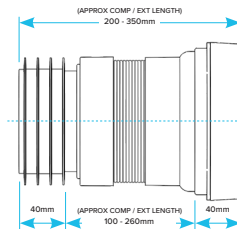

Medium Flexible Pan Connector

Product Code: PP0002/A Length 240-500mm

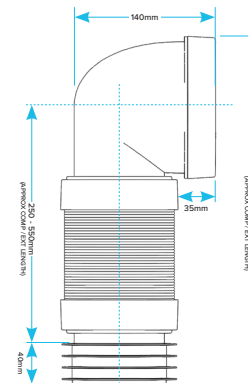

Mini Flexible Pan Connector

Product Code: PP0002/C Length 200-350mm

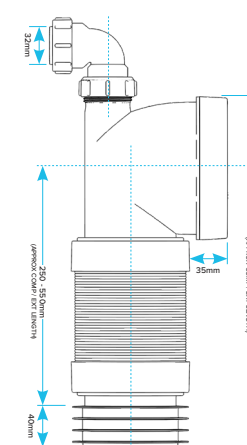

Long Flexible Pan Connector

Product Code: PP0002 Length 300-700mm

90° Flexible Pan Connector

Product Code: PP0002/B
Length: 300-600mm

90° Flexible Pan Connector (32mm Adapter)

Product Code: PP0002/D
Length: 300-600mm

* all dimensions in mm

WARNING

We accept no liability for products fitted incorrectly, and where the correct testing procedures have not been used, resulting in the escape of water.
